State Senators and Delegates  
Representing Fairfax County

**Sent via email.**

Dear Fairfax County Delegation to the State Senate and House of Delegates:

The McLean Citizens Association (“MCA”) has recently become aware of intentions to introduce legislation in the upcoming session of the Virginia Assembly that would amend the Code of Virginia, Title 58.1 Chapter 41 in a way that would allow a gaming casino to operate in Fairfax County. Among other suggested sites, proponents of this effort have named Tysons, the majority of which lies within the MCA’s general membership area, as a potential location for a casino.

Since the bill has not yet been submitted in the Assembly, MCA is not able to comment on it in detail at this time. However, many members of MCA are concerned about this initiative. Accordingly, the MCA Board has voted to express its opposition to legislation that would allow a gaming casino in Fairfax County.

Regards,

*Linda A Walsh*
